

St. Martha's Catholic School
Spanish Club
2016-2017

Spanish Club is open to students in Grades 4-8. A requirement of a Spanish club member is to attend meetings. Club dues will be \$20 a person per year. The dues will be used for the projects and snacks provided for the Spanish Club meetings. There will also be a fundraiser for the field trip.

Any member who misses two or more meetings will not be allowed on the field trip. If you make a 70 percent or below on a progress report and/or report card in any subject, you will not be allowed to attend a meeting until the next grading period.

Meetings will be held one Friday of every month.

I understand that I am a representative of St. Martha Catholic School and will conduct myself accordingly.
